Awards for "best in price-performance ratio"

Computer Bild magazine | 07/2009

AWARD-WINNING QUALITY WITH THE BEST PRICE PERFORMANCE RATIO

MediaRange GmbH is a supplier of innovative, award-winning products in the digital storage technology and office supply markets with more than ten years of experience. Our products have received various awards from renowned computer magazines like c't or ComputerBILD. Our company philosophy includes both a high quality portfolio as well as comprehensive customer service.

This strategy has brought MediaRange, a company which received the innovation prize for consumer electronics at CeBIT, steady growth since its foundation in 2002. MediaRange markets its products via distinguished distributors throughout Europe. Key customers are supplied directly. End customers can find MediaRange products at their local retailer as well as large well-known online shops and specialized e-tailers.

THE BEST QUALITY WITH THE BEST PRICE/PERFORMANCE RATIO IN FOCUS

The selection of products available at MediaRange follows one simple principle: The customer should receive the best quality with the best price/performance ratio - a product which they can trust. Comprehensive quality controls during the production phase itself and before packaging guarantee reliable quality.

UNIQUE, AWARD-WINNING PRODUCTS

MediaRange is known for award-winning innovation in our market: With CD-R true gold archival grade discs, we established a series of professional CD media which have a life span of 300 years and therefore comply with legal requirements regarding data storage for businesses. MediaRange fingerprint USB sticks won the innovation prize for consumer electronics at the computer trade show CeBIT. The MediaRange Aquashield series enables photo quality printing on CD media for the first time. Our team is constantly working on new and innovative solutions.

COMPANY HISTORY: FROM CDS TO OFFICE SUPPLY SPECIALISTS

MediaRange was founded in Bad Soden am Taunus, just outside the Frankfurt am Main metropolitan area, over ten years ago. CDs dominated our business operations during the first few years, but we successively expanded our line of storage media products to include DVDs and Blu-ray discs. With the emergence of flash based storage solutions, MediaRange incorporated USB flash drives, memory cards and solid state drives (SSD) in its portfolio. Today, our product portfolio also includes office supplies like photo and copy paper, ink cartridges, cables for IT and consumer electronics, cleaning products and batteries.

FULL-SERVICE PRODUCTION OF PRODUCTS FOR THIRD PARTIES

MediaRange does not only market its own product portfolio, but also provides full-service production for third parties such as renowned retailers and wholesalers. MediaRange delivers a complete range of services from guidance on production to handling logistics, providing you with an attractive private label.

CENTRAL EUROPEAN WAREHOUSE GUARANTEES QUICK DELIVERY

The extensive MediaRange product portfolio is delivered Europe-wide from our logistic center in Cologne - express deliveries in just 24 hours! Lightning speed delivery is made possible by a modern high rack warehouse with more than 2000 spaces. Cross-docking procedures for urgent European deliveries are also in place. MediaRange can attain short delivery times and the highest customer satisfaction.
